# Which Bible Translation Should I Use?

Most scholars recommend the Revised Standard Version, Second Catholic Edition (RSV-2CE) because of its accuracy. Other choices include the New American Bible (NAB), which is used for the liturgical readings at mass in the United States and the Philippines. The rest of the English-speaking nations use the Jerusalem Bible (JB).

These three are simply suggestions. There are more choices out there, so pick the one that you like best. Just make sure that it's a Catholic Bible, since non-Catholic Bibles are missing seven books!

# Where Can I Get the Catechism?

The Catechism of the Catholic Church (CCC) is available in every major religious bookstore.

You can also go to the official Vatican website at [https://www.vatican.va/archive/ENG0015/\\_INDEX.HTM](https://www.vatican.va/archive/ENG0015/_INDEX.HTM) to read it online for FREE!
